NEW GENETIC TEST REQUISITIONS

We are pleased to inform you that we have updated our genetic lab test requisitions.

You can access the new requisitions within our LTIG by looking up specific tests or download them from the (new) HRLMP website. Links below:

[LRC Test Information \(hrlmp.ca\)](http://lrc.hrlmp.ca)

If you currently maintain any local copies of our requisitions, we kindly request that you update them with the new versions. This will ensure alignment with our latest procedures and enhance efficiency.

We appreciate your continued partnership. If you have any questions, don't hesitate to reach out.
